

Thrifty Foods Gift Cards and Fairway Certificates. Thrifty Foods Smile Cards.

Did you know...

There are three great options for supporting the Band Program at Reynolds that you can make part of your everyday routine. **Thrifty Foods Gift Cards** and **Fairways Certificates** are available from the Band Parents Auxiliary and are a great way to support the Band Program and your own child's band account simply by paying for groceries. Five percent of every dollar is credited to your child's account and one percent goes to the Band Account (2% for Fairways Certificates).

Your child's account balance carries forward from year-to-year and there are transfer options available upon graduation.

Cards, Certificates, and pre-order forms will be available at the Winter Concert, December 15th. Payment by cheque made out to Reynolds Secondary School. Thrifty orders in multiples of \$100 and Fairways orders in multiples of \$25 with a \$100 minimum order.

Starting in January there will be an on-line order form that you can download, print, and deliver to the school with your cheque with regular pickup times at the school.

Smile Cards...

Starting December 15th, a third option will also be available for Band Parents. **Smile Cards** can be re-loaded with any amount at any Thrifty Foods location and can be used from year to year. Five percent of the value spent goes toward a specific Band fundraising initiative. These cards are convenient (re-useable) but, unlike the Gift Cards, do not contribute funds to your child's personal Band account. To arrange for a Smile Card, email ckierulf@shaw.ca
